To Whom It May Concern,

I am delighted to write this letter of recommendation on behalf of Karim Moolani. I have known Karim for a few years, both professionally and socially. I first came to know Karim when I started working at Silver Point Capital. He quickly became a mentor, and I learned that he is an intelligent, highly-regarded and successful person who has earned the admiration of the people that are fortunate enough to work with him.

In addition to our working relationship, Karim and I have developed a friendship over the past few years. He is a loyal, thoughtful and dependable person. In addition, he is intelligent, passionate about his career and family, and dedicated to maintaining his success. While his career has been extremely successful, Karim has managed to maintain a sense of balance in his life through, his wife and kids, his friendships and traveling. Additionally, his wife and sons are great, as they are a warm and caring family that I am happy to call friends.

As a renter myself, I am aware of the importance of living near people who care deeply about their surroundings and are considerate and cooperative. Karim possesses all these qualities, and the Moolani family will be a wonderful neighbor, friend and asset to your building.

If I can provide any additional information, please do not hesitate to contact me.

Sincerely,

Stephen Gustin
