Dear Metro Management:

This letter is to notify you that Dana Levy and Karim Moolani will terminate their lease and vacate Apartment 101 at 912 North Croft Avenue as of April 27, 2013. All deposits submitted during the origination of the lease and any amounts pro-rated from the final month should be returned to Dana per the contact information noted below.

Our living experience at 912 North Croft was top notch and we are leaving with no complaints. Alan has been more than amenable to all of our needs and requests and has made our living care free. The building was a perfect place for to call home for the past few years.

Sincerely,

Dana Levy & Karim Moolani
