To Whom It May Concern,

It is with very great pleasure that I can wholeheartedly recommend Karim Moolani to be your tenant at 116 Central Park South. In the nine years that I have known Karim, he has been an inspiring colleague but most of all an incredible friend.

I originally met Karim at The University of Western Ontario, where we were both pursuing our degrees in business. Even though we started out as cordial classmates, we were drawn by our similar goals and work ethic. As I got to know Karim, I realized how hardworking and dedicated he is. During our time in business school and thereafter, Karim has always been well known and respected for his intelligence, work ethic, positive attitude, teamwork mentality, and leadership skills. Karim is responsible and honors commitments in business as well as in his private life. He is very accomplished professionally, is considerate of others and values developing strong relationships both socially and professionally.

Karim is also one of the most unselfish and generous people I have ever had the fortune to meet. Whether it is his unwavering support to the charities he is associated with or the time he dedicates to Boards he sits on, there have been innumerable instances where he has put helping others well before doing things for himself.

All in all, Karim is one of the smartest, most honest and most down-to-earth people I know. He will be a great neighbor and valuable asset for your building. If you have any questions, please do not hesitate to contact me.

Sincerely,

Ron Mandel
