Please review this form carefully as this is your final order. Sign and return the form with any additions or changes ASAP. Your order is not complete until we have this signed form on file. **Payment in full is required to complete the order.** All sales are final and as the dresses are made to order, there are no returns or exchanges. All dresses are made to order, not custom made to measurements; therefore, alterations are usually necessary. Bella Bridesmaid does not offer alteration services but we are happy to refer you to an expert tailor. We are not responsible for any alterations made after you receive the garment from us. Bride is responsible for payment for any bridesmaid that has not provided payment at time of order, or for any declined credit cards.

Any problems/issues with your dress (dress defects, size problems, etc.) should be reported to Bella Bridesmaid within 14 days of receiving your dress.

I understand and agree with all the terms stated in this Contract and Policy Form and allow Bella Bridesmaid to charge the credit cards on file.
